DETAILED ACTION

Claim Objections

1. Claim 1 is objected to because of the following informalities:
 - a. Line 6, "air delivery system" should be --harvested material delivery system-- or -
-delivery system-- to be consistent with line 3. Appropriate correction is required.

Claim Rejections - 35 USC § 102

2. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

3. Claims 1 and 4-5 are rejected under 35 U.S.C. 102(b) as being anticipated by Hamel et al. 2,741,888, cited by applicant.

Hamel et al. discloses the claimed invention as shown in the marked up version of Figure 1 below.

Marked Up Figure 1 from Hamel et al.

Allowable Subject Matter

4. Claims 2-3 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

5. Claims 6-9, 12-16, 18-20 are allowed.

Response to Arguments

6. Applicant's arguments with respect to claim 1 have been considered but are moot in view of the new ground of rejection. Claim 1 is now rejected under 35 U.S.C. 102(b) as being anticipated by Hamel et al.

Conclusion

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event,

Art Unit: 3671
